ABOUT ME

Being fascinated by front end development and having finished a JavaScript/React Bootcamp I am seeking for new opportunities and challenges to expand my skill set. Highly driven, inquisitive and motivated Front end student with the passion for learning and implementing acquired knowledge. Team player with strong communication skills and an analytical and problem solving aptitude also a hard-working and positive person who will approach each task with a sense of purpose and attention to detail. For this reason, I am looking for a company willing to offer me a placement among their developers. In return, I would offer my full commitment, and be a pleasant and friendly addition to your team.
